* E-mail : mng.babhulgaon@gmail.com

* Contact Numbers:

Principal : 09404848496

Prof. O.K. Kapse : 09595540877

Dr. M.N. Lokhande: 09011096484

Prof. U.A.Thakre : 09404434630

Prof. A.B. Lad : 08793662341

Patrons

Dr.Mohan Khedkar

Honorable Vice Chancellor, Sant Gadge Baba Amravati
University Amravati.

Shri Krushanabhau Kadu

Secretary, Sudam Shikshan Prasarak Mandal, Yavatmal.

Organizing Committee

- Dr.A.P.Deshpande - Convener
Dr.U.A.Thakre - Member(Ghatanji)
Dr.A.B.Lad- Member(Yavatmal)
Dr.S.R. Vadrabade- Member(Umarkhed)
Prof. N.D.Khaire- Member(Pusad)
Prof.K.K.Hurade - Member(Darwha)
Dr.V.K.Jadhav - Member(Digras)
Prof. V.R. Bhat - Member(Wani)
Prof.R.V. Salodkar – Member (Akola)
Dr. A.w Asole - Member (Amravati)
Prof. V.V.Jadhav - Member (Buldhana)
Dr. J.B. Thakare - Member (Karanja)

Local Organizing Committee

- Dr.A.P.Deshpande - President
Dr. S.S.Battalwar - Member
Prof. O.K.Kapse - Member
Dr.M.N.Lokhande- Member
Shri.S.M.Bire - Member

National Workshop on Experiments in Physics

9-13 December 2015

Organized by

Department of Physics

Matoshri Nanibai Gharphalkar Science
College, Babhulgaon, Dist-
Yavatmal, Maharashtra.

In Collaboration with

Indian Association of Physics Teachers

Sponsored by

**Indian National Science Academy
New Delhi.**

About the workshop:

The present status of Physics subject is that very little weightage is given to experiments and the students are deprived of acquiring the experimental skill. The same age old experiments are continuing since long. There is a great need of new experiment and new methodologies to meet the present challenges.

The workshop is aimed at giving hands on experience to the physics lectures about the new experiments and also triggering them to design new experiment and new methodology for the old experiments. This exercise is needed on account of teachers so that new things could be transferred to the students in turn.

The workshop will be conducted by the Indian Association of Physics Teachers under the leadership of Professor S.C.Samanta, Midnapore, WB.

Performing new experiments, designing new experiments, analyzing the results, fault finding, error analysis and discussion is the format of the workshop. The interested participants are urged to suggest any new ideas about the experimental physics.

About the college

The College is a new college established in 2008 in order to provide quality science education in the rural area. The college runs the B.Sc. course with Physics, Chemistry, Mathematics, Electronics and Computer science subjects. The college has previously organized workshop on Electronics, Computer science and Mathematics. Soil testing is the key activity of the Chemistry department.

How to reach Babhulgaon

Babhulgaon can be reached from Yavatmal which is 22km. From Dhamangaon which is 22km and from Amravati which is about 70km.

Accommodation of the participant can be arranged on their own rent basis at Yavatmal.

- **Registration fee Rs: 1500/- D.D. in the name of Principal Matoshri Nanibai Gharphalkar Science College, payable at Babhulgaon.**
- **Spot registration is available**
- **Last date of registration: 05 December .2015.**

National Workshop on Experiments in Physics

9-13 December 2015

Registration Form

To,

The convener

National workshop on experiment in physics.

Sir,

I wish to attend the workshop.

My details are given below.

Name.....

Designation.....

Name of the Institution.....

.....

Contact Number.....

E-mail.....

Mode of Payment of Registration

Fee.....

Signature and Date

Signature of the

Head of the Institution

(Please make multiple copies of the registration form)
